NEW / UNUSED

Dieci Pinza Posacentine

Model: BUD7028

Year: 2018

Weight: 795 kg

Capacity: 4 ton

Clamp for concrete curbs and elements.

Equipment designed to position the centering arches that will form the tunnel support arches.

The possibility of rotating and tilting maximizes the precision in laying operations.

The centering handler can be adjusted to adapt to the various types of arches.

Of course, we have more pictures and information available, and we are looking forward to helping you.
